QUESTION 1

CGE decided that all end users must use two-factor authentication to connect remotely to the Citrix environment.

Which two sites will be able to support this requirement for Citrix Receiver for iOS and Android? (Choose two.)

- A. Tulsa
- B. Jurong
- C. London
- D. Odessa
- E. Houston
- F. Aberdeen
- G. Makassar

Correct Answer: AF

QUESTION 2

Scenario:

CGE decided to virtualize its infrastructure workloads and provide a virtual solution to all end users. The infrastructure workloads include Delivery Controllers, StoreFront servers, License Servers, and Microsoft SQL Servers for databases.

A Citrix Architect is asked to design a cost-efficient environment for the Back Office end-user group.

Which FlexCast model should the architect recommend?

- A. Hosted Shared
- B. Hosted VDI
- C. Streamed VHD
- D. Local VM

Correct Answer: A

QUESTION 3

Given the current desktop build process, what should an architect recommend on the new virtual platform for this environment while minimizing the number of required management servers?

- A. Continue with current process
- B. Use Ghost to clone a master image
- C. Use Machine Creation Services to clone a master image
- D. Use Provisioning Services servers to create a master target device

Correct Answer: C

QUESTION 4

What are the benefits of using a Hosted VDI environment with statically assigned virtual desktops?

- A. It retains the single image management function while allowing users to install applications
- B. It provides a high level of security while allowing user customization
- C. It has a low storage performance requirement and high user density
- D. It allows users to install application and access desktops remotely

Correct Answer: D

QUESTION 5

Which two options should the architect recommend to enable two-factor authentication for remote users? (Choose two.)

- A. Configure Citrix Single Sign-On
- B. Configure LDAP authentication on NetScaler
- C. Configure RADIUS authentication on NetScaler
- D. Configure 'Username and Password\\' in StoreFront

Correct Answer: BC
