QUESTION 1

Which statement describes infolets? Choose the best answer.

A. Infolets help you personalize focused data slices that you frequently use for analysis.

B. Infolets help you quickly analyze data and understand key business questions by presenting a visual overview of high-level, aggregated information.

C. Infolets are predefined dashboards that give you insight into overall project financials and expense and revenue metrics.

D. Infolets help you organize, track, and prioritize your workload.

Correct Answer: B
