QUESTION 1

At which time can the report package owner choose to initiate a review instance?

- A. never -- only the Admin may initiate a review instance
- B. when the Author Phase is completed
- C. at any time
- D. when the Author Phase is Approved

Correct Answer: C

Explanation: The report package owner can choose to initiate a review instance at any time. Oracle Enterprise Performance Reporting Cloud does not require the author phase to be in a completed status. Once the first review cycle is initiated, the report package status changes to "Under Review".
