### QUESTION 1

When can the properties of the Report Package be edited?

- A. solely while the Report Package is being created
- B. solely before the Review Phase has been started for the ReportPackage
- C. only before the Report Package process has been started or after the Report Package process has been stopped or completed
- D. at any time in the Report Package development process
- E. solely before the Author Phase has been started for the ReportPackage

Correct Answer: A

---

### QUESTION 2

At which time can the report package owner choose to initiate a review instance?

- A. never -- only the Admin may initiate a review instance
- B. when the Author Phase is completed
- C. at any time
- D. when the Author Phase is Approved

Correct Answer: C

Explanation: The report package owner can choose to initiate a review instance at any time. Oracle Enterprise Performance Reporting Cloud does not require the author phase to be in a completed status. Once the first review cycle is initiated, the report package status changes to "Under Review".

---

### QUESTION 3

Which two statements about the Enterprise Performance Reporting Cloud (EPRCS) library are True?

- A. The menus and actions available for each system-generated personal folders are role based.
- B. A user with the service administrator role has the complete ability to see other users Favorites or Recent folders.
- C. To perform a successful folder export, the user must have administrator access to all artifacts in the folder.
- D. Actions that are available in the library are not location specific.
- E. Any user of an artifact can run audit reports for their artifact within the library.

Correct Answer: AE

---

#### QUESTION 4

What type of variable can you use for standardizing a Date in a doclet?

- A. Supplemental
- B. Static
- C. Reference
- D. Varying

Correct Answer: C

---

#### QUESTION 5

Which of the following is a snapshot of the Report Package that when you create this, the system renders all of the checked-in versions of the Doclets into a draft version of the report?

- A. Reference Doclet
- B. Review Instance
- C. Review Phase
- D. Review Cycle

Correct Answer: B
