Correct Answer: C

---

**QUESTION 4**

During the course of a corporate investigation, you find that an employee is committing a federal crime. Can the employer file a criminal complain with the police?

- A. Yes, and all evidence can be turned over to the police
- B. Yes, but only if you turn the evidence over to a district judge
- C. No, because the investigation was conducted without following standard police procedures
- D. No, because the investigation was conducted without a warrant

Correct Answer: A

---

**QUESTION 5**

You are assigned to work in the computer forensics lab of a state police agency. While working on a high profile criminal case, you have followed every applicable procedure, however your boss is still concerned that the defense attorney might question whether evidence has been changed while at the lab. What can you do to prove that the evidence is the same as it was when it first entered the lab?

- A. make an MD5 hash of the evidence and compare it with the original MD5 hash that was taken when the evidence first entered the lab
- B. make an MD5 hash of the evidence and compare it to the standard database developed by NIST
- C. there is no reason to worry about this possible claim because state labs are certified
- D. sign a statement attesting that the evidence is the same as it was when it entered the lab

Correct Answer: A
