sources.

The problem must be solved as quickly as possible.

What should you recommend?

This item is part of a case study. To view the case study information, click on the Case Study button below.

A. Modify the language settings on the students\\' desktop or laptop computers.

B. Email the source text to a language teacher at the school.

C. Use an Internet-based translation tool.

D. Use a social networking site to connect with students in other countries and upload the text to the social networking site.

Correct Answer: C

QUESTION 4

You want to identify the quickest and most cost-effective method to collect the students\\' presentations for

assessment.

What should you ask the students to do?

This item is part of a case study. To view the case study information, click on the Case Study button below.

A. Save their work to a USB drive.

B. Save their work to a shared folder on the network.

C. Print out their work and hand it in to you.

D. Email their work to you.

Correct Answer: B

QUESTION 5

You are a teacher at a secondary school. You work closely with the school administration.

A group of parents questions the large sum of money that the school invests in Information and

Communication Technology (ICT) resources.

You are requested to prepare a response on behalf of the school.

On which argument will you base your response?

A. Modern economies increasingly require a workforce that has good typing skills, so the school must try to incorporate computers into all its activities.

B. Modern economies are increasingly based on knowledge and information, so students must learn the skills required to handle information.

C. The business sector in modern economies increasingly expects schools to produce students who are qualified in financial knowledge.

D. Modern economies increasingly depend on the growth of the computer manufacturing industry, an economic sector

that schools must support.

Correct Answer: B
