QUESTION 1

Which option describes "blade switches" best?

- A. end-of-row switches
- B. modules that fit into MDS switches
- C. top-of-rack switches
- D. modules that fit into blade server chassis

Correct Answer: D

QUESTION 2

Which statement is a competitive differentiator for Cisco?

- A. Cisco can virtualize storage, network, and server resources and provision them to applications.
- B. Cisco can orchestrate and provision virtual servers, virtual storage, and virtual network resources across the data center from a single control point.
- C. Cisco is developing an extended specification for Ethernet, which will be unique to Cisco and will act as a backbone connection system, end to end, across the data center, supporting such protocols as Fibre Channel over Ethernet (FCoE).
- D. Cisco can combine the virtualization of switches and network resources using service modules in the Catalyst 6500 that support virtual device contexts with the virtualization of storage using the SSM's built-in virtualization feature in the MDS, and then provision these resources to applications using VFrame.

Correct Answer: B

QUESTION 3

As a network engineer, you have to interact with various decision makers when presenting a data center solution. Which one of the following pieces of information most likely an IT manager take interest in?

- A. the specifications and feature set of the Cisco Nexus lineup
- B. the strategic partnerships that allow Cisco to deliver an end-to-end solution
- C. the greatly reduced number of points of management that result from consolidating resources
- D. the stability and financial strength of Cisco, and the world-class support after the sale

Correct Answer: C

QUESTION 4

Refer to full-width blades, which statement is making sense?

- A. Up to eight full-width blades may fit into a single Cisco UCS 5100 enclosure.
- B. Full-width blades feature four times as many dual-port adapters as half-width blades.
- C. Full-width blades feature a pair of Intel Xenon processors.
- D. Full-width blades feature four times as many DIMM slots as half-width blades.

Correct Answer: D

QUESTION 5

Which issue is likely to be a pain point for the data center manager?

- A. shareholder value
- B. unanticipated downtime
- C. good corporate citizenship
- D. Cisco Catalyst 6500 Series Switches configuration using CLI

Correct Answer: B
