QUESTION 1

Your customer has an office in New York.

The customer plans to donate 400 desktop computers to a local nonprofit organization. All computers have Windows preinstalled.

You need to ensure that the customer can donate the computers and remain in compliance with all applicable licensing agreements. The solution must provide as many hardware and software resources as possible for the nonprofit organization.

What should you do?

- A. Remove the operating system and Certificate of Authenticity (COA) from each computer. Transfer the computers to the nonprofit organization.
- B. Reinstall Windows by using the original media. Transfer the computers, media, Certificates of Authenticity (COAs), and manuals to the nonprofit organization.
- C. Purchase a Windows license for each computer under a volume licensing agreement. Transfer the computer and the license to the nonprofit organization.
- D. Remove the hard disks from all computers. Transfer the computers to the nonprofit organization and recommend that they purchase a new Windows license for each computer under a full packaged product (FPP) licensing agreement.
