QUESTION 1

To migrate from a native IBM Domino Directory to a Domino LDAP, which Domino database must be migrated to update the IBM Sametime user names to the new format?

- A. logs.nsf
- B. names.nsf
- C. bookmark.nsf
- D. vuserinfo.nsf

Correct Answer: D

QUESTION 2

Is there a specific order to follow when starting IBM Sametime servers running on an IBM WebSphere Application Server?

- A. No.
- B. Yes, start the Deployment Manager, start the Sametime server, and start the Node agent.
- C. Yes, start the Deployment Manager, start the Node agent, and start the Sametime server.
- D. Yes, start the Sametime server, start the Node agent, and start the Deployment Manager.

Correct Answer: C

QUESTION 3

In which policy is the setting "Allow screen sharing" found?

- A. Meeting
- B. Sametime
- C. Media Manager
- D. Instant Messaging

Correct Answer: A

QUESTION 4

James, the IBM Sametime administrator, would like to configure the Sametime Proxy Server to use an IBM Connections server for Business Card information instead of the Sametime Community Server.

Where would James make this change?

- A. stconfig.nsf database on the Sametime Community Server
- B. Sametime Administration Tool under Configuration > Business Card Setup
- C. Sametime System Console under Sametime Servers > Sametime Proxy Servers
- D. Sametime System Console under Servers > WebSphere Application Servers > STProxyServer

Correct Answer: B

QUESTION 5

Alex is on an audio call and trying to multitask. The call window keeps getting into the way because it is staying on top of the screen.

What can Alex do to move the call window to the background?

- A. Inside the call window. Alex can click the "Hide" button.
- B. Alex must set the IBM Sametime preference for the chat window to "Reduce to task bar".
- C. Alex must uncheck the preference in the Voice and Video Call Window tab "Keep call window always on top".
- D. Since it is an audio call, it will always be on top so that the user can find it easily. There is no way to change this behavior.

Correct Answer: A
