QUESTION 1

You have elected to create a marker so clients can update their reference to a database called `MARKETING.NSF`. However, you did not select a designated destination server. Which of the following is the result of this action?

- A. The client will remove the bookmark reference for the database
- B. The client will search all servers in the domain for a replica of the database and modify the bookmark
- C. The client will search all known cluster servers only for a replica of the database and modify the bookmark
- D. The client will prompt the user to specify servers to search for a replica of the database and modify the bookmark

Correct Answer: A

QUESTION 2

Linda has configured a Smart Upgrade kit document to be used in conjunction with a desktop policy for tracking purposes. Her test user tries to run Smart Upgrade manually and reports they are getting a "no updates available" dialog box and cannot complete the upgrade. If Linda disables the policy it works fine. What should Linda check in the Smart Upgrade Kit document?

- A. A kit description is specified
- B. The desktop policy name is defined properly in the kit document
- C. The upgrade deadline in the desktop policy document has expired
- D. The Destination version field in the Smart Upgrade kit document matches the Deploy version in the Desktop Settings document.

Correct Answer: D

QUESTION 3

You have elected to create a marker so clients can update their reference to a database called `MARKETING.NSF`. However, you did not select a designated destination server. Which of the following is the result of this action?

- A. The client will remove the bookmark reference for the database
- B. The client will search all servers in the domain for a replica of the database and modify the bookmark
- C. The client will search all known cluster servers only for a replica of the database and modify the bookmark
- D. The client will prompt the user to specify servers to search for a replica of the database and modify the bookmark

Correct Answer: A

QUESTION 4
