QUESTION 1

What time period was the Cannon of Medicine in?

- A. Ancient
- B. Modern
- C. Medieval
- D. Prehistoric

Correct Answer: C

QUESTION 2

Title I of The Health Insurance Portability and Accountability Act protects:

- A. Electronic health care transactions
- B. Client's medical records
- C. Restrictions that a group health plan can place on benefits for preexisting conditions
- D. Health insurance coverage for workers and their families

Correct Answer: D

Title I of HIPAA protects health insurance coverage for workers and their families when they change or lose their jobs. Title I prohibits any group health plan from creating eligibility rules or assessing premiums for individuals in the plan based on health status, medical history, genetic information, or disability. Title I also limits restrictions that a group health plan can place on benefits for preexisting conditions.

QUESTION 3

When responding to a client's request for information about the disclosure of his/her protected health information, which is NOT required?

- A. The purpose of the disclosure
- B. A description of what information was sent
- C. Disclosures for treatment, payment, or health care operations
- D. The dates of disclosure and to whom the information was sent

Correct Answer: C

When responding to a client's request for information about the disclosure of his/her protected health information, the health care provider must account for the disclosures by including a description of what information was sent, the dates of disclosure and to whom the information was sent, and the purpose of the disclosure. This information should be

presented to the client in writing.

QUESTION 4

Which of the following factors was particularly important in promoting the growth of office-based medical practice in the postindustrial period?

- A. Urbanization
- B. Educational reform
- C. Science and technology
- D. Dependency
- E. licensing

Correct Answer: A

QUESTION 5

If you suspect someone is violating the facility's privacy policy, you should:

- A. Say nothing. It's none of your business.
- B. Watch the individual until you have gathered solid evidence against them.
- C. Report your suspicions to your clinical supervisor for further follow-up.

Correct Answer: C
