Correct Answer: C

---

#### QUESTION 2

Della works as a security manager for SoftTech Inc. She is training some of the newly recruited personnel in the field of security management. She is giving a tutorial on DRP. She explains that the major goal of a disaster recovery plan is to provide an organized way to make decisions if a disruptive event occurs and asks for the other objectives of the DRP. If you are among some of the newly recruited personnel in SoftTech Inc, what will be your answer for her question? Each correct answer represents a part of the solution. Choose three.

- A. Protect an organization from major computer services failure.
- B. Minimize the risk to the organization from delays in providing services.
- C. Guarantee the reliability of standby systems through testing and simulation.
- D. Maximize the decision-making required by personnel during a disaster.

Correct Answer: ABC

---
