QUESTION 1

Which two statements are true regarding a Plan in Developer Portal?

A. Plans cannot have multiple rate limits set per operation.

B. The burst limit feature is available only through Micro Gateway.

C. A Plan is a collection of API operations or subsets of operations from one or more APIs.

D. All Plans are available to use immediately and requires no access to the Developer Portal.

E. A Plan can have a shared rate limit for all the operations or each operation can have a different rate limit.

Correct Answer: AE
