QUESTION 1

DevOps implies that not only the boundary between Development and Operations must disappear.

Which other boundary must also disappear?

- A. The boundary between Development and marketing
- B. The boundary between IT management and the rest of the IT department
- C. The boundary between the finance department and Development
- D. The boundary between the HR department and Operations
- E. The boundary between the IT department and the business

Correct Answer: A

QUESTION 2

Your team uses continuous delivery.

What are two reasons to keep the batch size small? (Choose two.)

- A. So that each team member can get their own batch
- B. So that root causes of problems can be identified and resolved quickly
- C. So that the product owner can report back to the customer
- D. So that the product owner has a good idea of what is delivered when
- E. So that there is room for Kaizen blitzes in between work

Correct Answer: BD
