QUESTION 3

HOTSPOT

A customer has received an alert of a component failure.

Where would the customer be able to confirm which event was logged from the iLO 5 overview screen?

Hot Area:

The screenshot shows the iLO 5 web interface. The left navigation pane is open, and the 'Information' section is selected. Within 'Information', the 'Overview' sub-tab is active. A green box highlights the text 'On the Information > Overview' at the bottom of the navigation pane. The main content area displays the 'Information - iLO Overview' page, which includes a table of system information and a status section.

Information	Status
Server name	
Product name	ProLiant DL360 Gen10

QUESTION 4

Your customer has an HPE Synergy solution deployed together with an HPE BladeSystem managed by HPE OneView. They need a unified health view of all the servers. Which HPE tool meets this need?

- A. HPE Cloud Optimizer for HPE OneView
- B. HPE OneView Global Dashboard
- C. HPE Synergy Composer
- D. HPE Intelligent Provisioning

Correct Answer: B

Reference: https://support.hpe.com/hpsc/doc/public/display?docId=emr_na-c03934110

QUESTION 5

You are proposing a new HPE Synergy-based solution. The customer has limited budget for the initial deployment. To meet this budget you propose a 3 server solution, with HPE Virtual Connect with 10Gb SFP uplinks. The customer asks you to provide future expansion options to support their growth as the server count increases.

Which network SFPs are available for them to grow into?

- A. 40Gb
- B. 20Gb
- C. 25Gb

D. 50 Gb

Correct Answer: A
