QUESTION 1

While looking at the conversation page you notice some strange network behavior, such as DNS requests coming inbound from external DNS servers. Could this be the reason why? (You have your network tap positioned wrong, and you are just getting outside data.)

- A. Yes
- B. No

Correct Answer: B

QUESTION 2

Refer to the exhibit.

You have been assigned a task to monitor, analyze, and find those entities who are trying to access internal resources without having valid user credentials. You are creating an AD-based use case to look for this activity. Could you use this entity type to accomplish this? (Dest IP.)

- A. Yes
- B. No

Correct Answer: A

QUESTION 3

You are planning to configure ClearPass to send endpoint context to IntroSpect. You need to create a checklist of functions that must be enabled in ClearPass to support this. Is this an option that is required? (Ingress Event Processing.)

- A. Yes
- B. No

Correct Answer: B

QUESTION 4

While talking to an associate, they ask you to describe how different alerts in IntroSpect indicate compromise on the network. Would this be a correct statement? (An entity that scans known TCP ports on a large number of IP addresses in a subnet could be a malware gathering information.)

- A. Yes
- B. No

Correct Answer: A

QUESTION 5

Refer to the exhibit.

The screenshot shows the 'New User' configuration page in the Aruba IntroSpect interface. The left sidebar contains a navigation menu with options: SYSTEM, USER ACCOUNTS, CLUSTER, ANALYTICS, WATCHLISTS, LOG SOURCES, THREAT FEED, PROCESSOR IMAGES, REMOTE SUPPORT, API CLIENTS, and FEATURES. The main content area is titled 'New User' and contains the following fields and controls:

- Username:** A text input field.
- E-Mail:** A text input field.
- Password:** A text input field.
- Confirm Password:** A text input field.
- Status:** Radio buttons for 'Enabled' (selected) and 'Disabled'.
- Role:** A dropdown menu currently showing 'superuser'. A dropdown list is open, showing the following roles: Superuser, Senior Analyst, Analyst, Read-only Analyst, and Obfuscated Analyst.
- Default Start and End Date:** A dropdown menu set to 'Default'.
- Buttons:** 'Save' and 'Cancel' buttons at the bottom right.

Would this be a correct option when configuring a user account for a ClearPass to use to communicate with IntroSpect? (The email address needs to match the username used in ClearPass.)

A. Yes

B. No

Correct Answer: A
