QUESTION 1

DRAG DROP

An organization consisting of several companies is implementing Dynamics 365 Finance. The organization views company and department data by geographical regions and business functions.

You need to recommend organization types for the company based on the requirements.

What should you recommend? To answer, drag the appropriate organization types to the correct scenarios. Each organization type may be used once, more than once, or not at all. You may need to drag the split bar between panes or scroll

to view content.

NOTE: Each correct selection is worth one point.

Select and Place:

Organization types

Legal entity

Operating unit

Answer Area

Requirement

One group must be able to define their own ledger and rules for Balance Sheet and Profit and Loss accounts.

Define various regions in which multiple groups of business operate. All regions must use the same ledger.

Organization type

Organization type

Organization type

Correct Answer:

Organization types

Answer Area

Requirement
