**QUESTION 2**

The Prisma Cloud administrator has Configured a new policy.

Which steps should be used to assign this policy to a compliance standard?

A. Edit the policy, go to step 3 (Compliance Standards), click + at the bottom, select the compliance standard, fill in the other boxes, and then click Confirm.

B. Create the Compliance Standard from Compliance tab, and then select Add to Policy.

C. Open the Compliance Standards section of the policy, and then save.

D. Custom policies cannot be added to existing standards.

Correct Answer: A

The point is user created a new policy, you can\\'t modify existing policies that were created by Prisma (default) but you can modify your own custom policies.

Answer A is correct.

Edit the policy, go to step 3 (Compliance Standards), click + at the bottom, select the compliance standard, fill in the other boxes, and then click Confirm.

**QUESTION 3**
